

BANGALORE ASSOCIATION FOR SCIENCE EDUCATION (BASE)
Jawaharlal Nehru Planetarium
Sri. T. Chowdaiah Road, High Grounds
Bangalore – 560 001

Invites you to present
Experiments and Working Models

for

Science In Action

A Science Exhibition

Dates of exhibition: *February 10-12, 2012*

Last date to receive the entries: *January 30, 2012*

Selected entries will be intimated by : *February 4, 2012*

The experiments/models should illustrate scientific principles or their applications. The exhibit can be related to any branch of science. This being ‘International Year of Mathematics’, preference will be given to exhibits in mathematics.

For further details please contact 2226 6084 / 2220 3234 / 2237 9725

ENTRY TO THE EXHIBITION IS FREE

6 January 2012

Sir/Madam:

We wish you all the best for the New Year.

We are glad to inform you that we will be hosting a three-day Science Exhibition, '***Science in Action***' from ***February 10 – 12, 2012***. Each school can send the exhibits which are experiments/working models that illustrate scientific principle(s). Since the year 2012 is being celebrated as the International Year of Mathematics, preference will be given to mathematics exhibits. Kindly send a brief report of the exhibit/s that you intend to present before ***January 30, 2012***. An entry form is enclosed for your reference. We shall inform you regarding the acceptance of your exhibits by ***February 4, 2012***.

The exhibit must, as far as possible, be simple, have a strong visual appeal and make its scientific point very clear without the need for complicated explanation. Due weightage will be given to creativity involved. Some of the most interesting/creative exhibits will be invited to be displayed in another exhibition to be conducted by us later in the year. ***Kindly do not include electronic projects.***

In our earlier letter, we had informed you about our show '***Moon – A Scientific Story***'. We are happy to inform you that we have launched this programme and it has been very well received. A poster of this programme is enclosed. We invite you to bring your children for this educational programme.

We look forward to your participation in 'Science in Action' and also visit of your school to our new show.

Warm regards,

Yours faithfully,

(K. K. Kutty)
Administrative Officer

** No allowance of any type are paid to the participants.
